

Kranzle® KTH-RP1200-QC

 2,755 psi
 20L/min
 415V, 20A

State of the art technology and first-class washing effect at high working pressure makes the new Kranzle Therm-RP series the ideal hot water unit in industries such as construction, agricultural and machinery. The **Stainless-Steel** Heating coil makes this the perfect solution for regular use in food processing plants or applications with harsh water. With high flow and high pressure this machine is the ultimate when it comes to pressure washing.

Lockable Handle +
Removable covers

20mtr HP Hose + HP Hose
Reel

Digital thermostat + safety
thermostat

High pressure detergent

New In-line crankshaft
pump

Total stop system + safety
cut-out

Optical flame monitor + water
flow monitor

Stainless steel coil + 10
Year Warranty on Brass
Pump Head

 Made
 in
 Germany

4 large rubber tyred
wheels + park brake

Technical Data

Operating pressure adjustable	2,755 psi	Power supply cable	7.5m
Max. admissible overpressure	3,000psi	(LxWxH)	1,050 x 800 x 1,300 mm
Connected Load	415V, 20A	Weight	210Kg
Motor speed	1400 rpm	Hose reel + HP Hose	20m
Water Output	20Ltr/Min	Trigger Gun with safety catch	
kW Power output	6.3kW	S/S Lance with fan-jet Nozzle 065	
Water tank volume	12Ltr	DN12 Quick release connector system	
Hot water output adjustable	12-80°C	4 way safety system	
Steam Level	140°C	Overload protection	
Heating Output	84kW	5 Year Commercial Warranty	
Fuel tank	35Ltr	10 Year warranty on brass pump head
