

Pedestrian Scrubber

The SCRUBTEC 8 is the complete walk-behind unit for large area cleaning. More versatility, greater productivity, better reliability, extremely quiet and with advanced ergonomics. Each of the models in the range feature the latest technologies developed through our years of experience.

- Excellent ergonomic design
- Easy to understand control panel with "One Touch" Scrub Control
- Extremely quiet operation thanks to the Acoustically engineered vacuum motor containment
- Large 85 litre solution and recovery tanks provides longer run time between dump and fills.
- Patented electronic pulse solution delivery system delivers precise and consistent solution without use of mechanical valves
- Rear solution fill allows filling when the machine is back into the deep sink for emptying the recovery
- Grey, foam filled wheels leave no marks on the floor

The parabolic AccuTrack squeegee, large 85L tanks, Excellent Ergonomic design with rear solution fill.
