

Kranzle® KTH1165-1-QC

 2,400 psi
 19.4L/min
 415V, 20A

The Kranzle KTH1165-1 is the top of the range 415V Hot Water high pressure cleaner in terms of safety, performance, reliability and low cost of operation. Ideal for regular use in applications like heavy machinery, transport and manufacturing/food processing industry. High flow rates are ideal for flushing away mud etc.

Tidy storage system for accessories

20mtr HP Hose + HP Hose Reel + folding crank

Low fuel cut-off for burner + safety thermostat

Digital operating panel, to control the temperature + operating time management

Overload protection

High pressure detergent

Removable covers for ease of access

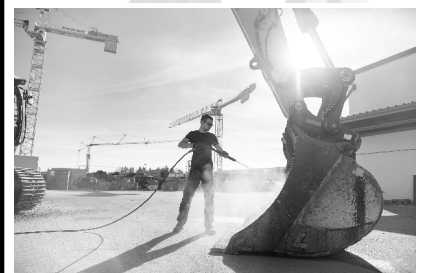

10 Year Warranty on Brass Pump Head

4 large rubber tyred wheels + parking brake

Made in
 Germany

Technical Data

Operating pressure adjustable	2,400 psi	Digital thermostat + safety thermostat	
Max. admissible overpressure	2,610psi	Power supply cable	7.5m
Connected Load	415V, 20A	(LxWxH)	1,050 x 800 x 1,300 mm
Motor speed	1400 rpm	Weight	223Kg
Water Output	19.4Ltr/Min	Hose reel + HP Hose	20m
kW Power Output	5.0kW	Trigger Gun with safety catch	
Water tank volume	12Ltr	S/S Lance with fan-jet Nozzle 07	
Hot water output adjustable	12-82°C	DN12 Quick release connector system	
Steam Level	155°C	4 way safety system	
Heating Output	78kW	5 Year Commercial Warranty	
Fuel tank	35Ltr	10 Year warranty on brass pump head
